

# Fairhead Bouldering Tour

## Aim:

Veronica and Rob will take a group of climbers through the boulderfield at Murlough Bay. This will be an excellent introduction to the bouldering at Fairhead. Please note this is not a coaching session. Veronica and Rob will show you where the boulder problems are and where they start and end. There will be no projecting of problems, however there will be ample time to try each problem. The plan is to climb as many problems as possible.

## Fee:

Please note this event is **completely free**. Veronica and Rob love Fairhead and see it as their second home. They would like to share their knowledge and passion of this amazing climbing venue.
